

Make U Say

JAHKOY

Is it drip enough?
Drip enough
And when you're ready girl
You know where I'll be
But don't take too long
I can't wait too long

Every single time I try
(I try, I try)
I end up going circles with you
(With you, with you)
And I hate to repeat myself
Trust me, I know myself
But I ain't going out my way for nobody else

Cause baby it's true
What you wanna do
Never in my life did love feel this good
Cause baby it's true
What you wanna do
I'd do it all again girl, do it with you
And make you say

Ohh
You know it
Make you say oh
Say oh

Said you helped me grow
Girl you helped me
Show me hat you had my back
Had my back, had my back

Every single time I try
(I try, I try)
I end up going circles with you
(With you, with you)
And I hate to repeat myself
Trust me, I know myself
But I ain't going out my way for nobody else

Cause baby it's true
What you wanna do
Never in my life did love feel this good
Cause baby it's true
What you wanna do
I'd do it all again girl, do it with you
And make you say

Ohh
You know it
Make you say oh
Say oh

Sometimes I wonder if I
Could be the one that holds you at night...
