

Roll Wit It

JAHKOY

I know that you wanted this (wanted)
Tell me can you handle it (handle)
Show me how you work them hips (show me)
Then maybe we can roll wit it

Now we're all out in the open
Everybody knows about you and me
Ain't no more need for you and me to creep
I want you so bad I don't care who sees

Wanna make you cum but don't come with no drama
More times you're cold, get you hot like a sauna
Can't get enough, get enough of my persona
And we be drinking like a message in the bottle

I know that you wanted this (wanted)
Tell me can you handle it (handle)
Show me how you work them hips (show me)
Then maybe we can roll wit it
I know that you wanted this (wanted)
Tell me can you handle it (handle)
Show me how you work them hips (show me)
Then maybe we can roll wit it

Baby I'm a thug (I'm a thug)
Got Supreme on my rug
You know I never need a hug
I think I been bit by the love bug
So fuck what they sayin
They ain't saying nothing if it ain't to my face
1800-horny, it's late
Bending corners all on my way
To the top (to the top)
Get the guap (get the guap)
You know a nigga never ever plan to stop
Its getting better, getting wetter, getting hot
When you come inna mi romping shop

Wanna make you cum but don't come with no drama
More times you're cold, get you hot like a sauna
Can't get enough, get enough of my persona
And we be drinking like a message in the bottle

I know that you wanted this (wanted)
Tell me can you handle it (handle)
Show me how you work them hips (show me)
Then maybe we can roll wit it
I know that you wanted this (wanted)
Tell me can you handle it (handle)
Show me how you work them hips (show me)
Then maybe we can roll wit it
