

# Selfish

JAHKOY

I know that I should leave  
But I'm selfish  
Sometimes I change my mind  
I just can't help it  
I do believe  
That we got something special  
Really do believe  
That we got something special  
I tell myself I'll change  
I know I'm lying  
Just need for you  
To see the silver lining  
I know I made mistakes  
Don't need reminding  
I think that we just met  
At perfect timing

I know that I should leave  
Yea yea yea yea  
I know that I'm a G  
Yea yea yea yea  
I know that I ain't right  
Yea yea yea yea  
I know I'm selling lies  
Yea yea yea yea

But girl I want you to understand my heart  
Do you understand me?  
I just want you to understand my heart  
Do you understand me?

I know that I should leave  
But I'm selfish  
Sometimes I change my mind  
I just can't help it  
I do believe  
That we got something special  
Really do believe  
That we got something special  
I tell you I'll be different  
But I'm lying  
I'm asking you  
To see the silver lining  
I know I made mistakes  
Don't need reminding  
I think that we just met  
At perfect timing

I know that I should leave  
Yea yea yea yea  
I know that I'm a G  
Yea yea yea yea  
I know that I ain't right  
Yea yea yea yea  
I know I'm selling lies  
Yea yea yea yea

I know that I should leave  
Yea yea yea yea  
I know that I'm a G  
Yea yea yea yea  
I know that I ain't right  
Yea yea yea yea  
I know I'm selling lies  
Yea yea yea yea

But girl I want you to understand my heart  
Do you understand me?  
I just want you to understand my heart  
Do you understand me?

Ima take my time  
My time, my time  
(Understand me?)  
My time  
My time  
I just want you to understand my heart  
Said I just want you to understand my heart
