

# Stringing You On

JAHKOY

Oh yeah yeah  
Oh no no no  
Yeah  
Yeah

I'm here to claim my  
Claim my territory  
You know it's mandatory  
What's best for you and I's in the same category  
And I'm standing on it  
(Standing on it)  
Maybe I'm tripping but my hearts all the way in it

It's unfair to have you wait for me  
So hard to let you walk, let you walk away from me  
It's unfair to make you stay with me  
I been holding onto hope and hoping you don't walk away

I been doing  
You so wrong and  
I been dragging it on  
(Dragging it on)  
I can't let you, let you escape me  
I'm still stringing you on  
(Stringing you on)  
I been doing  
You so wrong and  
I been dragging it on  
(Dragging it on)  
I can't let you, let you escape me  
I'm still stringing you on  
(Stringing you on)

Oh yeah yeah  
Oh no no no  
(Stringing You On)  
Yeah  
Yeah  
(Stringing You On)

I used to think that I was more than just an option  
Gotta a little motion, now you moving like you hot shit  
That dick done made me crazy, I think I was blinded  
I chose up once before, I'd do it all over again  
But I ain't gon chase, I gave you your space  
You giving cold shoulder  
You don't wanna stay or walk away  
I feel like we're over  
How long we gonna keep goin on  
Ain't gon stay where I don't belong  
It's like you just keep stringing me on

It's unfair to have you wait for me  
So hard to let you walk, let you walk away from me  
It's unfair to make you stay with me  
I been holding onto hope and hoping you don't walk away

I been doing  
You so wrong and  
I been dragging it on  
(Dragging it on)  
I can't let you, let you escape me  
I'm still stringing you on  
(Stringing you on)  
I been doing  
You so wrong and  
I been dragging it on  
(Dragging it on)  
I can't let you, let you escape me  
I'm still stringing you on  
(Stringing you on)

Oh yeah yeah  
Oh no no no  
(Stringing You On)  
Yeah  
Yeah  
(Stringing You On)

(Phone ringing)  
Come outside, I'm in the front  
Alright I'm coming
