

# Sun Bathing

JAHKOY

I love the way the sun kiss your skin  
For real though  
You already got a tan where your ring sit  
Cause it's real you  
I put carrots on your finger  
Made you mine for life  
Sitting under the Panamanian skies  
I, I already know  
We gon be alright

Watching my baby sun bathing  
Sun bathing  
Sun bathing  
Sun bathing  
She so amazing  
So amazing  
So amazing  
My baby sun bathing

She loving the cool breeze  
While I'm watching the sweat beat  
Off of her body  
She turning me on  
While we baking under the sun  
Got palm trees all everywhere  
Exotic flowers all in your hair  
While I'm thinking bout the love  
We could be making  
Yeah, yeah, yeah

My baby sun bathing  
Sun bathing  
Sun bathing  
Sun bathing (Yeah, yeah)  
So amazing  
So amazing  
So amazing

My baby sun bathing  
Sun bathing  
Sun bathing  
Oh girl I've been craving (Yeah)  
From the beach [?]  
From the beach [?]  
Oh yeah

When the sun comes down  
And I have you alone  
You gon get it  
You gon get it  
You gon get it  
You gon get it  
You gon get it  
Yeah

When the sun comes down  
And I have you alone

You gon get it  
You gon get it  
You gon get it  
You gon get it  
You gon get it  
Yeah  
Oh yeah  
Oh yeah  
Oh yeah, yeah  
Oh yeah
