

Drowning

Jai Wolf

(It feels like, it feels like you're gone)

It feels like, it feels like you're gone
When the blue light hits your dark side, I'm lost
And I could never believe it when you said it'd be good tonight
But when I saw you with him, it made me dead inside

Just grab my hand and don't let go
Right before the fear takes hold
I'll close my eyes 'til I explode
I'm drowning when I lose control

It feels like, it feels like my fault
When I found you right by the dusk
I don't wanna keep playing these games with you anymore
It feels like I'm sinking and I'm searching for the shore

Just grab my hand and don't let go
Right before the fear takes hold
I'll close my eyes 'til I explode
I'm drowning when I lose control
Just grab my hand and don't let go
(I'm drowning, I'm drowning)
Right before the fear takes hold
(I'm drowning, I'm drowning)
I'll close my eyes 'til I explode
(I'm drowning, I'm drowning)
I'm drowning when I lose control
(Don't let go)

I'm drowning, I'm drowning
I'm drowning, I'm drowning
(Grab my hand, just, just grab my hand)
I'm drowning, I'm drowning
(Grab my hand, just, just grab my hand)
I'm drowning, I'm drowning
