City

Jain

I know every corners of my city
But when I see misery
My eyes are crying, oh no
My eyes are crying
My eyes are crying, oh no
My eyes are crying

Oh, I'm falling
Oh, I'm crying
Oh, I'm yelling
Oh, I love it

Oh, I'm falling
Oh, I'm crying
Oh, I'm yelling
Oh, I love it

I know that the sun goes down
Back into the sea
But when the night is coming out
My eyes are crying, oh no
My eyes are crying
My eyes are crying, oh no
My eyes are crying

Oh, I'm falling
Oh, I'm crying
Oh, I'm yelling
Oh, I love it

Oh, I'm falling
Oh, I'm crying
Oh, I'm yelling
Oh, I love it

I know that you protect me
About everything
But when I'm with you
I'm not feeling free
I'm not feeling free
I'm not feeling free
I'm not feeling free

Oh, I'm falling
Oh, I'm crying
Oh, I'm yelling
Oh, I love it
