Jain

You got nothing more to lose  
And you don't need no excuse  
To be the one you wanna be  
To feel free from your destiny  
And imagines all I see is you you  
All I wanna feel is free with you  
Yeah in my dreams all I see is you you  
Are you real, am I living the truth

Let me, let me dream again  
Let me dream to the end of the day  
Let me, let me dream again  
Let me dream to the end of the day

You got this life in your eyes  
This fire that get me hypnotized  
And I get walk away from you you  
When you're looking after me too  
All I want to be is next to you  
In my dreams all I see is you  
All I want to keep is a proof  
That love can be far as too

Let me, let me dream again  
Let me dream to the end of the day  
Let me, let me dream again  
Let me dream to the end of the day  
Let me, let me dream again  
Let me dream to the end of the day  
Let me, let me dream again  
Let me dream to the end of the day

I don't want to go hey  
I'm yearning for you  
I don't want to go oh  
Like think about is you  
I don't want to wake up  
Far away from you  
I don't want to grow up  
If I forget about you

Let me, let me dream again  
Let me dream to the end of the day  
Let me, let me dream again  
Let me dream to the end of the day  
Let me, let me dream again  
Let me dream to the end of the day  
Let me, let me dream again  
Let me dream to the end of the day
