Gloria

Jain

Gloria, Gloria
I have my eyes on ya
Gloria, Gloria
I have my eyes on ya (Woo!)

Gloria, Gloria
I have my eyes on ya
Gloria, Gloria
I have my eyes on ya

Oh Gloria, everybody wants ya
Success is goal, but you won't have it all
Oh, Gloria, I had dreams about ya
Your success is goal, but you won't have my soul

I keep my freedom deep into my bones
I keep my freedom as it was my home
No, I will not fall for you, Gloria
You may glow in the dark, but glitter never lasts

Gloria, Gloria
I have my eyes on ya
Gloria, Gloria
I have my eyes on ya

Oh Gloria, everybody wants ya
Success is bold, but music is all
Oh Gloria, I had dreams about ya
Yeah, success is goal, but I won't give you all

I keep into my heart places full of art
I stop turning my head to see where you are
No we are not your slaves, oh Gloria
Keep looking at yourself, I'm watching your back

Gloria, Gloria
I have my eyes on ya
Gloria, Gloria
I have my eyes on ya

(Gloria, Gloria, Gloria, Gloria)
(Gloria, Gloria, Gloria, Gloria)

(Gloria, Gloria)
(Gloria, Gloria)

Gloria, Gloria
(Success is goal, but you won't have it all)
Gloria, Gloria
(Success is goal, but you won't have my soul)
