

Hey, lil' mama  
Why don't you come around?  
You're feeling lost, you're feeling alone  
You're feeling away far from your home  
Hey, lil' mama  
Why don't you come around?  
You're feeling lost, you're feeling alone  
You're feeling away far from your home

See what the world is giving  
It's more than everything you need  
Some don't know what true love is  
Look around you and you will see, hey  
Mothers are loving, sisters are sharing  
You should forget all the things you don't need  
You've got your soul, you've got your brain  
See what you can do with your hands

Oh, oh, now you feel it  
Time to feel good, about you  
To take a good break  
And oh, oh, now you feel it  
Peace inside, your mind  
Got to live

Hey, lil' mama  
Why don't you come around?  
You're feeling lost, you're feeling alone  
You're feeling away far from your home  
Hey, lil' mama  
Why don't you come around?  
You're feeling lost, you're feeling alone  
You're feeling away far from your home

When the sun is going down  
And there's silence in your head  
Don't you worry, don't you run  
There's a place to lay your head  
Don't you know how to stand up and make this world your own  
If you feel like giving up, I'll make you feel at home

Oh, oh, now you feel it  
Time to feel good, about you  
To take a good break  
And oh, oh, now you feel it  
Peace inside, your mind  
Got to live

Hey, lil' mama  
Why don't you come around?  
You're feeling lost, you're feeling alone  
You're feeling away far from your home  
Hey, lil' mama  
Why don't you come around?  
You're feeling lost, you're feeling alone  
You're feeling away far from your home
