

Night Heights

Jain

Paris, it's raining on a Saturday night
But it cannot keep me away from the sound
Holding my breath 'cause my heart beats too loud
Flashing lights go dancing on your skin

Facing my desire, caught me by surprise
Night dew falling on you as the moon is on the rise
Maybe I'm dreaming, maybe I'm crazy
But I think I'm seeing what you and I can't be

Baby, all night I'm so high
Baby, all night I'm lost in your eyes
Baby, all night I'm so high
Baby, all night I'm lost in your eyes
Can you feel the love inside of me?
Can you feel the love inside of me?
Can you feel the love inside of me?
Can you feel the love inside of me?

I feel your lips tasting all my tears
Strumming with your lover's hands
Time is insomniac and my demons are back
Every time I meet your gaze

Facing my desire, I see it in your eyes
Night dew falling on you as the moon is on the rise
Maybe I'm dreaming, maybe I'm crazy
But I think I'm seeing what you and I can't be

Baby, all night I'm so high
Baby, all night I'm lost in your eyes
Baby, all night I'm so high
Baby, all night I'm lost in your eyes
Can you feel the love inside of me?
Can you feel the love inside of me?
Can you feel the love inside of me?
Can you feel the love inside of me?

Baby, all night I'm so high
Baby, all night I'm lost in your eyes
Baby, all night I'm so high
Baby, all night I'm lost in your eyes
Can you feel the love inside of me? (Can you feel it?)
Can you feel the love inside of me? (Can you feel it? Can you feel it?)
Can you feel the love inside of me? (Can you feel it?)
Can you feel the love inside of me? (Can you feel it? Yeah, yeah, yeah)

Can you feel it?
Oh, can you feel it?
Can you feel it?
Oh, can you feel it now?
Can you feel it?
I wanna feel it
I wanna feel it
