

# SWEATPANTS

Jaira Burns

We're just chilling in our sweatpants  
I know that you like that, uh  
Cause we can just get high  
You and I got nowhere to be

Waking up after noon yeah that's perfect timing  
Cold drinks silk sheets and that's how we like it  
When it's me me and you no one else invited  
Grab the weed and a blunt roll it up and light it

Know bout parties at different houses  
But I think we'll just stay home  
Sippin' tang ten we could stay in bed  
Cause we both like bein' alone

We're just chilling in our sweatpants  
I know that you like that, uh  
Cause we could just get high  
You and I got nowhere to be

We're just chilling in our sweatpants  
I like it when we hold hands  
Cause we can make it vibe anytime  
When it's you and me, (When it's you and me)  
When it's you and me

Yeah you got all of my attention  
And you keep me on a wave  
And we ain't never had tension  
Now all I gotta say is

We know bout parties at different houses  
But I think we'll just stay home  
Sippin' tang ten we could stay in bed  
Cause we both like bein' alone

We're just chilling in our sweatpants  
I know that you like that, uh  
Cause we could just get high  
You and I got nowhere to be

We're just chilling in our sweatpants  
I like it when we hold hands  
Cause we can make it vibe anytime  
When it's you and me, (When it's you and me)  
When it's you and me

(Cause we can just get high  
You and I got nowhere to be  
When it's you and me)
