

## Tip It Back

Jaira Burns

Why you got an empty hand?  
You gon' have to watch me do my dance  
Ask the bartender where your mans  
I don't see him, do you got some plans?

Get out the way, all my bitches running through  
Ain't got time for sorry, hoes  
You better pay for that shit you smoke  
Ain't got time for nothing, bro

Let them run these bottles up  
Yeah go and tip it back  
Go ahead and chug  
Yeah go and tip it back  
Why you babysitting  
One shot tip it back  
Tip it back  
Tip it back

Hey-hey-hey-oh  
(Tip it back, tip it back)  
Hey-hey-hey-oh  
(Tip it back, tip it back)  
Hey-hey-hey-oh  
(Tip it back, tip it back)

They like, why you walking with a limp?  
'Cause I walk like I'm a pimp  
Pocket's full of steak and shrimp  
'Cause my net worth like a blimp  
I just rode up in a Benz  
Puffin' OG with my friends  
[?] she a ten

Get out the way, all my bitches running through  
Ain't got time for sorry, hoes  
You better pay for that shit you smoke  
Ain't got time for nothing, bro

Let them run these bottles up  
Yeah go and tip it back  
Go ahead and chug  
Yeah go and tip it back  
Why you babysitting  
One shot tip it back  
Tip it back  
Tip it back

Let them run these bottles up  
Yeah go and tip it back  
Go ahead and chug  
Yeah go and tip it back  
Why you babysitting  
One shot tip it back  
Tip it back  
Tip it back

Hey-hey-hey-oh  
(Tip it back, tip it back)  
Hey-hey-hey-oh  
(Tip it back, tip it back)  
Hey-hey-hey-oh  
(Tip it back, tip it back)
