

# Digging Deep

Jakalope

Reeling me in not afraid  
To treat me life a fish  
I can be smooth as I wanna be  
But it's no guarantee  
That I'll be better than me  
Someday instead  
I'll just keep wanting you anyways  
And I'll be  
Be digging deep

Reel me in  
I'll give in  
Til I win  
Hold me up  
I'll dig my hands in  
Reel me in  
I'll give in  
Til I win  
Hold me up  
I'll dig my hands in

Keep to the surface  
You'll be  
A place that I can't breathe  
Not used to feeling  
Less than me  
Less than incomplete  
You know that I can not drown  
But it's not safe to be found  
You throw me away  
And I'll be  
Be digging deep

Race me to defeat  
Put it on repeat  
I'm not done yet

Reel me in  
I'll give in  
Til I win  
Hold me up  
I'll dig my hands in  
Reel me in  
I'll give in  
Til I win  
Hold me up  
I'll dig my hands in

[guitar solo]

Reel me in  
I'll give in  
Reel me in  
I'll give in  
(Hold me up I'll dig my hands in)

Reel me in

I'll give in  
Til I win  
I'll give in  
(hold me up, I'll dig my hands in)

Reel me in  
I'll give in  
Til I win  
Hold me up  
I'll dig my hands in  
Reel me in  
I'll give in  
Til I win  
Hold me up  
I'll dig my hands in
