

American Dream

Jakatta

We fought your wars with all our hearts
You sent us back in body parts
You took our wills with the truth you stole
We offer prayers for your long lost soul
Your remainder is an unjustifiable
Egotistical power struggle
At the expense of the American dream
Of the American dream, of the American
We don't give a damn about your world
With all your global profits and all you're to oppose
We don't give a damn about your world
Right now, right now
We don't give a fuck about your world
With all your global profits and all you're to oppose
We don't give a fuck about your world
Right now, right now, right now, right now
There is no flag that is large enough
To hide the shame of a man in cuffs
You switched the signs then you closed their blinds
You changed their channels and you changed their minds
Your remainder is an unjustifiable
Egotistical power struggle
At the expense of the American dream
Of the American dream, of the American
We don't give a damn about your world
With all your global profits and all you're to oppose
We don't give a damn about your world
Right now, right now
We don't give a fuck about your world
With all your global profits and all you're to oppose
We don't give a fuck about your world
Right now, right now, right now, right now
Right now, right now, right now, right now
No flag large enough
Shame on the man in cuffs
Close the blinds
Your remainder is an unjustifiable
Egotistical power struggle
At the expense of the American dream
Of the American dream, of the American
We don't give a damn about your world
With all your global profits and all you're to oppose
We don't give a damn about your world
Right now, right now
We don't give a fuck about your world
With all your global profits and all you're to oppose
We don't give a fuck about your world
Right now, right now, right now, right now
Right now, right now, right now, right na-na-na-now
