Jake Banfield

I've got issues, yeah mmm

I just can't believe

I just can't believe I've never seen you around

Yeah, mhm

I'm kind of anxious about the reaction but I know it's something that I gotta do

Oh yeah, mhm

You make me feel as if I'm good like I'm good enough for you and I just really wanna know what I gotta do to be with you

Mmm

My heart is broken from a past relationship I got trust issues and I don't wanna put it on you

Oh yeah

Woah, woah

I've got issues

And I don't wanna put em' you

But will you save me, save me, save me, oh yeah

I've got issues

And I don't wanna put em' on you

But will you save me, save me, save me, oh yeah

Oh yeah

I've been waiting here for you

For you, for you, for you

I've been waiting here for you

I've been patient girl please take me as I am

Got my heart inside your hands

You name me feel just like the man I wanna be

The man I wanna be

Woah, woah

I've got issues

And I don't wanna put em' you

But will you save me, save me, save me, oh yeah

And I don't wanna put em' on you

But will you save me, save me, save me, oh yeah

Oh yeah
