

Just A Memory

Jake Banfield

And if I could go back to when we were friends
And things never had to end, I would

I would

And if I could take back all the things I said
Things that I never mean, I would

I would

'Cause you don't know

How much you mean to me

And you don't know

All the things you said

They've stuck with me

And now we're just a memory, we're in the past

We talk no more, we didn't last

Oh no, oh no

And if I could go back to the way things used to be, I would

I would

And if I could go back to the way things used to be, I would, o
h

I would
