

## Be Someone

Jake Bugg

When you're dressing up  
Still it's not enough  
Who you tryna impress man  
Needy for some love

Here to be someone  
Tryna be someone

You're caught up in the past  
I'll show you living fast  
You're talking talking but ain't walking  
I can't help but laugh

Here to be someone  
Tryna be someone

Money and the cars  
Don't make you a star  
But all you got is talk  
And you're looking kinda lost

Here to be someone  
Tryna be someone
