Friends

Can we be just friends?

If that's all that you want girl

I will be just friends

But baby I love you

And I'm sorry for the way I feel

Oh, Oh

Sorry it's a shame

that you carried in the rain alone

A second hour has soon come

But if you should break my heart

Oh, Oh

Friends

Can we be just friends?

If that's all that you want babe

I will be your friend

But baby I love you

And I'm sorry for the way I feel

Oh, Oh

Sorry it's a shame

that you carried in the rain alone

A second hour has soon come

But if you should break my heart

Oh, Oh

Oh
