# Keep on Moving

**Jake Bugg**

I'm on the run from everyone
But I can't escape myself
All the ghosts from yesterday
They never go away
They're too hard to face

So I'm running from reality (I can't stop)
Chasing what's ahead of me (never enough)
All I know is I gotta keep on moving
Steady is the enemy (I can't stop)
Messing with my sanity (don't wanna get off)
All I know is I gotta keep on moving, keep on moving

I've been on the run for far too long
But there's no turning back
'Cause every time I hit the brakes
I crash into the pain
And it's too much to take

So I'm running from reality (I can't stop)
Chasing what's ahead of me (never enough)
All I know is I gotta keep on moving
Steady is the enemy (I can't stop)
Messing with my sanity (don't wanna get off)
All I know is I gotta keep on moving, keep on moving

Find a place I belong, I belong
But the past keeps coming back
And I'm gone, yeah, I'm gone

So I'm running from reality (I can't stop)
Chasing what's ahead of me (never enough)
All I know is I gotta keep on moving
Steady is the enemy (I can't stop)
Messing with my sanity (don't wanna get off)
All I know is I gotta keep on moving, keep on moving

I can't stop, never enough
I gotta keep on moving
I can't stop, don't wanna get off
I gotta keep on moving, keep on moving

Keep on moving
