Lost

Jake Bugg

It all starts with me and all of my needs
I'll be what you want, do you want me to be
Heaven?

You're high when I'm low and this machine's broke
I hold out for more while I'm here on the ropes
Heaven, heaven

Suddenly, I see you everywhere
You're always in my head
Never been so lost
Talk to me, it's like you're never there
It's like you never care
That I've been so lost

Suddenly, I see you everywhere
You're always in my head
Never been so lost
Talk to me, it's like you're never there
It's like you never care
That I've been so lost
That I've been so lost

Starts with the hurt, the memories that were
It's always too much, will I ever learn?
Heaven

I'm losing control, it's hell in my soul
And I'm only tough when I'm drinking my way to
Heaven, heaven

Suddenly, I see you everywhere
You're always in my head
Never been so lost
Talk to me, it's like you're never there
It's like you never care
That I've been so lost

Suddenly, I see you everywhere
You're always in my head
Never been so lost
Talk to me, it's like you're never there
It's like you never care
That I've been so lost
That I've been so lost

Heaven, heaven

Suddenly, I see you everywhere
You're always in my head
Never been so lost
Talk to me, it's like you're never there
It's like you never care
That I've been so lost

Suddenly, I see you everywhere
You're always in my head

Never been so lost
Talk to me, it's like you're never there
It's like you never care
That I've been so lost
That I've been so lost
