

# Waiting

Jake Bugg

All the time before I knew you  
Seems now so long  
And I cannot explain  
Even if I try

No, you never make it easy  
Know it's hard to be strong  
But all in good time  
I can wait

I'll be waiting  
I'll be waiting

For I cannot explain  
Even if I try

When you're leaving  
I'll be waiting

For I cannot refuse you  
I've tried

All the years spent together  
Slowly aging on

And I wonder just what's wrong  
Are you tired?

I'll be waiting  
I'll be waiting

For I cannot explain  
Even if I try

When you're leaving  
Lord knows I'll be waiting  
[Noah Cyrus:] For I cannot refuse you  
[Jake Bugg & Noah Cyrus:] I've tried
