

Firework

Jake Coco

Do you ever feel like a plastic bag
Drifting through the wind, wanting to start again?
Do you ever feel, feel so paper thin
Like a house of cards, one blow from caving in?

Do you ever feel already buried deep?
Six feet under screams but no one seems to hear a thing
Do you know that there's still a chance for you
'Cause there's a spark in you?

You just gotta ignite the light and let it shine
Just own the night like the 4th of July

'Cause baby, you're a firework
Come on, show 'em what you're worth
Make 'em go, oh-oh-oh
As you shoot across the sky-y-y

Baby, you're a firework
Come on, let your colors burst
Make 'em go, oh-oh-oh
You're gonna leave 'em all in aw-aw-awe
...oh, you're gonna leave 'em all in aw-aw-awe

You don't have to feel like a waste of space
You're original, cannot be replaced
If you only knew what the future holds
After a hurricane comes a rainbow

Maybe you're reason why all the doors are closed
So you could open one that leads you to the perfect road
Like a lightning bolt, your heart will glow
And when it's time, you'll know

You just gotta ignite the light and let it shine
Just own the night like the 4th of July...

'Cause baby you're a firework
Come on, show 'em what you're worth
Make 'em go, oh-oh-oh
As you shoot across the sky-y-y

Baby, you're a firework
Come on, let your colors burst
Make 'em go, oh-oh-oh
You're gonna leave 'em all in aw-aw-awe

So don't let 'em take your life for granted
You're the only one who needs to rule your world
When life leaves you feeling empty handed
Light it up and show 'em what your worth
