

Raise Your Glass

Jake Coco

Right right, turn off the lights,
we're gonna lose our minds tonight,
what's the dealio?

I love when it's all too much,
5am turn the radio up
where's the rock and roll?

Party Crasher,
Penny Snatcher,
Call me up if you want gangsta
Don't be fancy, just get dancey
Why so serious?

So raise your glass if you are wrong,
in all the right ways,
all my underdogs,
we will never be never be anything but loud
and nitty gritty dirty little freaks
won't you come on and come on and raise your glass,
just come on and come on and raise your glass

Slam slam, oh hot damn
what part of party don't you understand,
wish you'd just freak out (freak out already)
can't stop, coming in hot,
I should be locked up right on the spot
it's so on right now (so fuckin on right now)

Party Crasher,
Penny Snatcher,
Call me up if you want gangsta
Don't be fancy, just get dancey
Why so serious?

So raise your glass if you are wrong,
in all the right ways,
all my underdogs,
we will never be never be anything but loud
and nitty gritty dirty little freaks
won't you come on and come on and raise your glass,
just come on and come on and raise your glass
won't you come on and come on and raise your glass,
just come on and come on and raise your glass

(oh shit my glass is empty, that sucks)

So if you're too school for cool,
and you're treated like a fool,
you can choose to let it go
we can always, we can always,
party on our own

(so raise your) So raise your glass if you are wrong,
in all the right ways,
all my underdogs,
we will never be never be anything but loud

and nitty gritty, dirty little freaks
So raise your glass if you are wrong,
in all the right ways,
all my underdogs,
we will never be never be anything but loud
and nitty gritty, dirty little freaks
won't you come on and come on and raise your glass,
just come on and come on and raise your glass
won't you come on and come on and raise your glass, (for me)
just come on and come on and raise your glass (for me)
