

## 8 Tattoos

Jake Miller

My hairs a little longer  
Arms a little stronger  
Got a new phone, but my numbers the same  
Got new clothes in my closet  
More cash in my wallet  
The only thing that you would recognize is my name

I've lived 100 lives since 17  
10 years feels like a century  
Sorry if I'm not the person from your memories, mmhmm

Cause since the last time that I saw you  
I got new friends and 8 tattoos  
Yeah, I know I've changed  
But I'm hoping that you stayed the same

Cause since the last time that I saw you  
I got new friends and 8 tattoos  
Yeah, I know I've changed  
But I'm hoping that you stayed the same

I got a little jaded  
My ego got inflated  
I wonder if you'd like me if you met me today  
If not I wouldn't blame you  
There's parts of me I hate too  
Wish I could rewind but I think it's too late

I've lived 100 lives since 17  
10 years feels like a century  
Sorry if I'm not the person from your memories, mmhmm

Cause since the last time that I saw you  
I got new friends and 8 tattoos  
Yeah, I know I've changed  
But I'm hoping that you stayed the same

Cause since the last time that I saw you  
I got new friends and 8 tattoos  
Yeah, I know I've changed  
But I'm hoping that you stayed the same

And I bet if I went to my 10 year reunion  
It would just be awkward as fuck  
Cause who I was isn't who I am now  
Isn't who I am now, isn't who I am now

Cause since the last time that I saw you  
I got new friends and 8 tattoos  
Yeah, I know I've changed  
But I'm hoping that you stayed the same

Cause since the last time that I saw you  
I got a new life and 8 tattoos  
Yeah, I know I've changed  
But I'm hoping that you stayed the same  
You stayed the same
