

Hold On To This

Jake Miller

Damn I hate this part, bags in the doorway
2 weeks feels so far away
Act like it's not hard, you say it's okay
But it still breaks my heart

Every hour that I'm with you feels like only minutes past
Wanna stop the world from turnin', trynna make the seconds last
You know this is what I live for, but it's here and gone too fast
All I can do is, all I can do is

Hold on to this moment, moment, moment
Hold on to me holdin' on to you
Hold on to this moment, moment, moment
Oh I wish you and I had a little more time
To hold on to this
Woahhhh
Hold on to this
Woahhhh
Hold on to this
Woahhhh
This moment
To hold on to this
Woahhhh
Hold on to this
Woahhhh
Hold on to this
Woahhhh
This moment

Time is runnin' out, I leave in the morning
Lets make this night count
I won't take you for granted, yeah
Take the lead, I'll follow
Love me like we're never gonna see tomorrow
Nothing else matters but here and now, woah

Every hour that I'm with you feels like only minutes past
Wanna stop the world from turnin', trynna make the seconds last
You know this is what I live for, but it's here and gone too fast
All I can do is, all I can do is

Hold on to this moment, moment, moment
Hold on to me holdin' on to you
Hold on to this moment, moment, moment
Oh I wish you and I had a little more time
To hold on to this
Woahhhh
Hold on to this
Woahhhh
Hold on to this
Woahhhh
This moment
To hold on to this
Woahhhh
Hold on to this
Woahhhh
Hold on to this

Woahhhh
This moment
