

# Sunflower

Jake Miller

Yeah

You're my sunflower in the dirt  
You take away the hurt  
I found you in my bed, wearing nothing but my shirt  
Lonely girl in a ugly world  
She's my sunflower in the dirt  
Can't believe that I found you  
Can't believe that I found you  
Can't believe that I found you

Promise I'll never put you in the shade  
I just wanna watch you grow  
'Cause you could do anything or go any place that you wanna go  
You my little ray of sunshine  
I can't believe that you're all mine  
Full bloom like the petals in Spring  
You out here making me sing, yeah

(La la la la la) You're my favorite view (La la la la la)  
Love to stare at you (La la la la la)  
Let me cherish you (Let me cherish you)

'Cause you're my sunflower in the dirt  
You take away the hurt  
I found you in my bed, wearing nothing but my shirt  
Lonely girl in a ugly world  
She's my sunflower in the dirt  
Can't believe that I found you  
Can't believe that I found you  
Can't believe that I found you

Your thorns and your petals  
Your scars, and your freckles  
Yeah, everything 'bout you is special  
Just me and my baby, we vibin' like crazy  
And talkin' like whole 'nother level  
And all of the people that walked over you  
They don't have a fucking clue  
Full bloom like the petals in Spring  
You out here making me sing

(La la la la la) You're my favorite view (La la la la la)  
Love to stare at you (La la la la la)  
Let me cherish you (Let me cherish you)

'Cause you're my sunflower in the dirt (The dirt)  
You take away the hurt  
I found you in my bed (In my bed) wearing nothing but my shirt  
Lonely girl in a ugly world  
She's my sunflower in the dirt  
Can't believe that I (Come on)  
Can't believe that I found you  
Can't believe that I found you (You, you, you)  
Can't believe that I found you (You, you, you)  
Can't believe that I found you
