

# Damn

Jake Owen

Well I've been all around the world  
I've seen all kinds of girls  
But I've never seen nothin' like you  
Any other day, I'd know just what to say  
But right now, girl, I don't have a clue  
But you've got me all kinds of helpless  
I'm all breathless, restless, and speechless

Well your mama shoulda named you Damn  
From all the things that you do to a man  
Yeah, you love 'em, you leave 'em  
You got us all eatin' right out of the palm of your hand  
Damn  
Damn, baby, damn

The way that you hold me  
You rock and you roll me  
Beats anything I've ever known  
You take me to heaven and places I ain't been  
And we don't even have to leave home  
When I try to scream out your name  
Aw baby, all I can say

Is your mama shoulda named you Damn  
From all the things that you do to a man  
Yeah, you love 'em, you leave 'em  
You got us all eatin' right out of the palm of your hand  
Damn  
Damn, baby, damn

Well she coulda named you anything  
Marilyn or Billie Jean  
Baby, there's only one name that makes sense to me

Your mama shoulda named you Damn  
From all the things that you do to a man  
Yeah, you love 'em, you leave 'em  
You got us all eatin' right out of the palm of your hand  
Damn  
Damn, baby, damn  
Aw damn, baby, damn  
Yeah, you're hell on a man  
Good Lordy, hot damn
