

Mexico in Our Minds

Jake Owen

You're sittin' pretty in your sky blue dress
Right here beside me on our back deck
Watchin' you watchin' that sunset, ain't it beautiful?
Mmm, nah, we ain't gotta take a round trip flight
We can operate on Gulph Coast time
Just sit back and put your hand in mine
Baby, we can go to Mexico

In our minds
On this Tennessee Saturday night
Actin' like this Bud Light is a Corona and lime
And this green grass is that sand so white
All that you gotta do is close your eyes
And come a little closer if you wanna go to Mexico
Mexico in our minds

We'll play some Buffet on the stereo
Take off your shoes, show them pretty pink toes
That's how they dance down there, you know it's so beautiful
Mmm, we'll pretend that when them trucks go by
That's just the sound of that rollin' tide
Let's tell this little town adiós
Girl, we can go to Mexico

In our minds
On this Tennessee Saturday night
Actin' like this Bud Light is a Corona and lime
And this green grass is that sand so white
All that you gotta do is close your eyes
And come a little closer if you wanna go to Mexico
Mexico in our minds
We can get there is no time in our minds

Yeah, I got a bottle of cheap tequila
Stashed in the back of a drawer
If we need to get out of this town
We can take a sip and head on out
To Mexico, Mexico in our minds
Baby, in our minds
Take a trip in no time in our minds
In our minds, in our minds
