

# Nothing

Jake Owen

(Nope, nope, nope, nope)  
(Nope, nope, nope, nope)

I got a Triton 18 with a 225  
And I'm 'bout to back it up in the lake  
Yeah, it don't matter if the fish don't bite  
It's still gon' be a good day  
There's a lot going on in the world today  
And my mind ain't gonna be on it (Nope, nope, nope, nope)  
If you're gonna drink all day, you know what they say  
Yeah, you gotta start early in the morning (In the morning)

Nothing going on all day long  
Got a whole lotta nothing to do  
I'm flipping that sign on the door of my life  
Saying I'll be back in a few  
Yeah, don't get many days I get to kick it like Jimmy Buffet  
But when I do, to tell you the truth, man, I love it  
Yeah, I don't need nothing (Nope, nope, nope, nope)  
Yeah, I don't need nothing (Nope, nope, nope, nope)

A little later on, I'm probably gonna want me  
A steak and a baked potato  
But right now, they can have all the money in the bank  
Every double down chip in Vegas

Nothing going on all day long  
Got a whole lotta nothing to do  
Flipping that sign on the door of my life  
Saying I'll be back in a few  
Yeah, don't get many days I get to kick it like Jimmy Buffet  
But when I do, to tell you the truth, man, I love it  
Yeah, I don't need nothing (Nope, nope, nope, nope)  
No, I don't need nothing (Nope, nope, nope, nope)
