

## Pass A Beer

Jake Owen

What's up y'all?

Looks like we're all riding on right here  
Pass a beer,  
One more long day now on the coast  
Is clear, pass a beer.

Wake up, the guy on the radio  
Says it's time to get  
We gotta go  
We all got to do what we all got to do  
To get to the part where we get the cut loose.  
Cut loose and hang where everybody is  
On the lake, where all in bikini lean  
Where ain't worries, no bumers  
Where our state on my state, we're stuck on the summer

Looks like we're all riding on right here  
Pass a beer.  
One more long day now on the coast  
Is clear, pass a beer.

Hey, everybody listen  
Everybody out there, anybody listen  
I hold 'em up  
I'm on a mission  
Please , pass in and push to the break  
One two three, everybody take a drink!!

Looks like there's a party up in here,  
Pass a beer.  
She looks hot but my vision  
Ain't cute clear, pass a beer.

Oh pass a beer  
Hook a brother up!  
Back in the trailer, hook on a truck  
Unload the boat, and unlock the girls  
Hey, I don't know about the rest of the world, but...

Looks like we're all riding on right here  
Pass a beer.  
One more long day now on the coast  
Is clear, pass a beer.  
(Maybe two, or three, four five...)
