

## Señorita

Jake Owen

It ain't just about the bars  
It ain't just about an umbrella in your drink  
It ain't just about the cars  
Chopped up, dropped down, ridin' low in the street  
And it ain't the sand on my feet  
That's got me thinkin' I might never leave  
I'm feelin' words that I can't speak  
I can learn, girl, if you can teach  
Yeah

Señorita, yes, I need ya  
On my lips like a shot of tequila  
So como se dice, I think I might stay  
Leave an empty seat on that airplane  
You're the only thing I've been lookin' at all night  
Mamacita got me movin' down to paradise  
Mi bonita, I can't leave ya  
Señorita, señorita

It ain't gonna take much time  
Give me one more dance, mi amor  
You're gonna be loco by the end of the night  
So good, I'll make you wanna leave it all behind

Señorita, yes, I need ya  
On my lips like a shot of tequila  
So, ¿cómo se dice? I think I might stay  
Leave an empty seat on that airplane  
You're the only thing I've been lookin' at all night  
Mamacita got me movin' down to paradise  
Mi bonita, I can't leave ya  
Señorita, señorita

And it ain't the sand on my feet  
It's the way that you're lookin' at me  
That's got me thinkin' I might never leave  
That's got me thinkin' that you're all I need  
I'm thinkin' words that I can't speak  
Yo soy loca para ti  
I can learn, girl, if you can teach

Señorita, yes, I need ya  
On my lips like a shot of tequila (Shot of tequila)  
So, ¿cómo se dice? I think I might stay  
Leave an empty seat on that airplane  
You're the only thing I've been lookin' at all night (Toda la noche)  
Mamacita got me movin' down to paradise ([?] paraiso)  
Mi bonita, I can't leave ya  
Señorita, señorita
