

So Long, LA

Jake Owen

Here we go, boys
So long, LA - 1, 2, 3

So long, LA
So long, sun
Well, adiós boys, it's been fun
What we came to do, we got it done
So long, LA
So long, sun

I brought the blues out on this trip
Left a few on the corner of Sunset Strip
A couple more down at the Rainbow Bar
They ain't all gone, but it's a damn good start

So long, LA
So long, sun
Adiós boys, it's been fun
What we came to do, we got it done
So long, LA
So long, sun

It feels good to be feeling good again
And it's sure been a long time coming

Hello, Nashville, my old friend
Damn, it's good to be back home again
Got a brand-new fire burning in my soul
And a record in my pocket full of solid gold

So long, LA
So long, sun
Adiós boys, it's been fun
What we came to do, we got it done
So long, LA
So long, sun
