

## Tipsy

Jake Owen

You got your hands all over me  
You sure making this room spin  
Moving your body to the beat  
Sure got me feeling like I'm losing it  
Oh but girl keep doing it

Jack in my coke's got me dizzy dizzy  
Radio rock a little Nitty Gritty Ditty  
Oh oh it's the Saturday night  
She shake it so sweet you got me on a sugar high  
And I don't know if it's you or the whiskey  
That's got me feeling all tipsy tipsy  
I can feel myself about to fall  
Every time you kiss me, kiss me  
I better lean you up against the wall  
Oh I'm tipsy, tipsy

The way you rock that miniskirt  
Yea, you turn me right side down  
Girl you're making my vision blur  
It ain't what I'm sipping got me tripping  
Now, girl you're looking so fine tonight  
I couldn't walk a straight line tonight 'cause

Jack in my coke's got me dizzy dizzy  
Radio rock a little Nitty Gritty Ditty  
Oh oh it's the Saturday night  
She shake it so sweet you got me on a sugar high  
And I don't know if it's you or the whiskey  
That's got me feeling all tipsy tipsy  
I can feel myself about to fall  
Every time you kiss me, kiss me  
I better lean you up against the wall  
Oh I'm tipsy, tipsy

Yea, the room's going round and round  
I was thinking we should just lay down

Jack in my coke's got me dizzy dizzy  
Radio rock a little Nitty Gritty Ditty  
Oh oh it's the Saturday night  
She shake it so sweet you got me on a sugar high  
And I don't know if it's you or the whiskey  
That's got me feeling all tipsy tipsy  
I can feel myself about to fall  
Every time you kiss me, kiss me  
I better lean you up against the wall  
Oh I'm tipsy, tipsy
