

# Evergreen

Jake Wesley Rogers

Why do I know you?  
Felt like I should hold you  
You've been fucking with my mind since I laid my eyes on you

Why do you feel different?  
Like a stolen vision  
Waiting on the rug to go from below my weary knees

You're evergreen  
I'm feeling warm in the wintertime  
And it seems  
It's getting colder but I'm feeling fine

Spent a lot of my time  
Thinking I was high tide  
Then I went and let you in  
To reel my bones back in

You're evergreen  
I'm feeling warm in the wintertime  
And it seems  
It's getting colder but I'm feeling fine

I would do it all over  
I would lose it all again  
If I knew that you were waiting in the end

You're evergreen  
I'm feeling warm in the wintertime  
And it seems  
It's getting colder but I'm feeling fine

You're evergreen  
I'm feeling warm in the wintertime  
And it seems  
It's getting colder but I'm feeling fine  
It's getting colder but I'm feeling fine  
It's getting colder but I'm feeling fine
