

Happy Accident

Jake Wesley Rogers

I like smiling, I like strangers
I like processing all of my anger
I like drugs, just a few
I like blaming everything on you

I like forgiveness like my caffeine
Straight to my heart and right through my body
When I'm older, when I'm wiser
I'll like saying that I'm a survivor

Life (life)
Is a joke (joke)
And I like laughing
Like (life)
Is a dream (dream)
That I imagine
Try to explain it and you'll go insane
No one on earth should be living this way
Life (life)
Is a happy, happy, happy accident

I like boys
I like God
I like falling asleep on the job
I like getting what I want
I liked getting high once with my mom

I like forgiveness like I brush my teeth
Right when I wake up and before I sleep
When I'm older, when I'm wiser
I'll like saying that I'm a survivor

Life (life)
Is a joke (joke)
And I like laughing
Like (life)
Is a dream (dream)
That I imagine
Try to explain it and you'll go insane
No one on earth should be living this way
Life (life)
Is a happy, happy, happy accident

Life, life
Happy, happy accident
Life, life
Happy, happy accident

Constantly slipping away
Constantly cavities, bills to pay
Constantly feeling afraid
Coming home, running away

Life is a game that I like to play
Tell you my worst, and you say the same

Life is a joke and I like laughing

Like (life)
Is a dream (dream)
That I imagine
Try to explain it and you'll go insane
No one on earth should be living this way
Life (life)
Is a happy, happy, happy accident

Life, life
Happy, happy accident
Life, life
Happy, happy accident
