

# Holy Man

Jake Wesley Rogers

I found a boy  
Who talks like a man  
Who loves like a dog  
With stains on his hand

And he can't believe he is falling, he is falling apart

I'm not walking on water  
I am walking on sand  
I'm not a holy man  
I'm just doing the best I can

He gives me his hand  
I feel like it's God's  
I'm younger again  
Turns devils to doves

When I'm with him I am falling, I am falling in love

I'm not walking on water  
I am walking on sand  
I'm not a holy man  
I'm just doing the best I can

When he turns out the light, I start falling, I start falling a  
sleep

I'm not walking on water  
I am walking on sand  
I'm not a holy man  
But I'll always love you  
The best I can  
I'll always love you  
The best I can
