

## Kitchen Table

Jake Wesley Rogers

Oh the best part of being a kid  
Is the tile on the floor where you sit  
While adults talk you play under it  
At the kitchen table

Oh the worst part of being abused  
Is telling your parents the news  
After everyone's finished their food  
At the kitchen table

No matter how far I run  
I'm right back where I begun

I am willing, I am able  
To come back to the kitchen table  
Where it's all been said and done  
And it is what it is, and it is what it was

Oh the best part of being alive  
Is getting stoned while your friends drink their wine  
And you laugh so hard that you cry  
At the kitchen table

I imagine my heart looks like this  
And a chandelier hangs over it  
And there's always a place you can sit  
When you feel unstable

I am willing, I am able  
To come back to the kitchen table  
Where it's all been forgiven  
And it is what it is and it is what it was  
Oh it is what it is and it is what it was
