

Without You

Jake Worthington

Hey baby
I just thought that I'd stop by
Just in case maybe
You've gone and changed your mind
Can't you see
I'm just not me without you

I'm down to beer and bones
Darlin' it won't be long
I'm barely hangin' on
Since you've said goodbye

Hey baby
I know grown men just don't cry
It ain't no maybe
Those are teardrops in my eyes
Can't you see
I'm just not me without you

It's only been three weeks
Look what it's done to me
Can't eat and I can't sleep
I swear I'm gonna die

Hey baby
Won't you give me one more chance
I can't explain it
Just how bad I need you back
Can't you see I'm just not me without you

Hey baby I just thought that I'd stop by
Just in case maybe
You might've gone and changed your mind
Can't you see I'm just not me without you
Oh can't you see I'm just not me without you
