

4 Life

Jake Zyrus

Don't know why they trippin' cus I want you
Maybe cus I'm doing things they won't do

Damn, that body and your mental
Got me addicted, baby you can bet on it

Bet, I'ma pull up with a dozen roses yeah
Take your pic but you're my focus yeah
You know I'ma love you gently yeah

This time it's different
Cus, you're the one that I'm missin'

You the one
You the one
You the one I want 4 life

You can get it, you got me simpin'

You the one
You the one
You the one I want 4 life

They in our business
(You the one)

You ain't like them others
I don't want nobody after you
They wouldn't compare
Cus ain't nobody got me fallin' this hard
I'ma do my part

Bet, I'ma pull up with a dozen roses yeah
Take your pic but you're my focus yeah
You know I'ma love you gently yeah

This time it's different
Cus, you're the one that I'm missin'

You the one
You the one
You the one I want 4 life

You can get it, you got me simpin'

You the one
You the one
You the one I want 4 life

They in our business
(You the one)

I'ma pull up with a dozen roses yeah
Take your pic but you're my focus yeah
You know I'ma love you gently yeah
This time is different
Cus, you're the one that I'm missin' (yeah)

You the one
You the one
You the one I want 4 life

You can get it, you got me simpin' (you got me simpin')

You the one
You the one
You the one I want 4 life (oooo)

They in our business (yeah)
(You the one)

You the one
You the one
You the one I want 4 life

You can get it, you got me simpin' (simpin')

You the one
You the one
You the one I want 4 life

They in our business
You the one that I want girl
