

Fix Me

Jake Zyrus

I've been feeling you, baby, you've been feeling me
Is this a one and done, is love what we really need?
Cause I'm not gonna lie, I'm not a good guy, yeah
You keep telling me that you never gonna leave
But I don't trust myself to give you what you need
You're too good for me, this is your warning, yeah

I don't wanna be the one to break your heart in two
You say I'm the only one who does the things I do to you
But I don't wanna argue
But maybe you can be the one to

Fix me
Fix me, fix me
Fix me
Fix me, fix me
Fix me
Fix me, fix me

You're the beauty, I'm the beast that's for your taking
You say your happy with the choices that you're making
You can't resist it and I'm not gonna stop shit, yeah
You say you're stuck on me when we're in between the sheets
But am I really who you wanna raise your kids with
I'm not that type A but somehow you want me

I don't wanna be the one to break your heart in two
You say I'm the only one who does the things I do to you
But I don't wanna argue
But maybe you can be the one to

Fix me
Fix me, fix me
Fix me
Fix me, fix me
Fix me
Fix me, fix me

...
