Yeah, every fuckin' hour changin' love
Hold up with your pose, Gucci gheto boss
Bebo, ja sam Sossa, čekaju me, boss
Toliko je sosa, ne prestaju se ložit'
She gimme right, she a right (Hey)
Big booty wine, and that pussy so tight (Hey)
Ti budi ta, ta fatalna doza
Od toliko poza hvata me nervoza
Koga bi čekô? Vidimo se nikad, bye, bye
Davno sam rekô, nije kraj, bit' će drive-by
Ja sam kô Džeko, zabijem ga, da mi high five
Na nju kačim se kô Wi-Fi, sranje je sci-fi
Nema te šanse, još uvijek sam previše gladan
Nocci Magadavo, ne treba mi Prada
A ja hladan i nema veze što ne pada
Vozi me do Milana, Aventador autostrada

Love that skinny gyal but the pussy so tight
Ass big like a big trunk, oh my God
Oh my gosh, she be runnin' all night
Oh my gosh, she be rollin' all night (Frrr)

Look, top-shotter, same blocker
Two big tings, man, I let them pop off
Do I love money? I'm like "Hell yeah, proper!"
Grab me a big batty gyal just to hol' on
Pull over, fuck her in a Rover
In the studio, fuck her in a Sofa
Woah, that ass fast, so fat like
Woah, one tap, two tap, three tap
She's in love with the stars in my Double R
Rolls Royce boys when we drive through the boulevard
Guess she heard the name Noisy, I'm a superstar
When they get in, drive fast in my supercar
Whole gang rich from drugs and music
Mad lifestyle, them boys act stupid
Fuck up the club, take home sixty groupies
Pop champagne as pilly on the booties
