

Happiness

Jamala

Spending my time
Looking for answers
That I could not find
Wasn't looking within

Blinded by light
And now I see it
Was there all the time
Inside of me

When I am happy I am free
I found my way
When I am happy I am free
Can't take it away
When I am happy I am free
Lost my fear
When I am happy I am free
Finally me

Oh oh oh, oh oh oh, oh oh oh
If ound my way
Oh oh oh, oh oh oh, oh oh oh
Can't take it away

Spending your time
Looking for it
When you're down
You can't see it
You're not alone
We all have the power
Just take your time
And you will see

When I am happy I am free
I found my way
When I am happy I am free
Can't take it away
When I am happy I am free
Lost my fear
When I am happy I am free
Finally me

Oh oh oh, oh oh oh, oh oh oh
I found my way
Oh oh oh, oh oh oh, oh oh oh
Can't take it away

You cannot take it away
'Cause my happiness it is me
You cannot take it away
'Cause my happiness, happiness, happiness it is me

When I am happy I am free
I found my way
When I am happy I am free
Can't take it away
When I am happy I am free

Lost my fear
When I am happy I am free
Finally me
