Hate love  
Hate love  
Hate love  
Hate love

Why do I feel such strong emotions?  
Hate you, love you  
I'm fed up with pure devotion  
I want to explain  
Keeping secrets from each other  
Hiding, lying  
Living lies with one another  
Oh, damn, it's not jealousy

I don't wanna play your games  
Oh, why don't you understand?  
I hate you, but I love you  
I don't want you, I don't want you to pretend

I don't wanna play your games  
Oh, why don't you understand?  
I hate you, but I love you  
And I'm begging don't become my love regret

Hate love  
Hate love  
Hate love  
Hate love

I don't wanna bury you  
You made it and feel it  
But I can't live without you  
You see it, you know it  
I want to explain  
When you love me I can fly  
You use it, abuse it ah-ah-ah but  
When I saw you cheat on me  
Broke my heart, just set me free

I don't wanna play your games  
Oh, why don't you understand?  
I hate you, but I love you  
I don't want you, I don't want you to pretend

I don't wanna play your games  
Oh, why don't you understand?  
I hate you, but I love you  
And I'm begging not become my worst regret

I don't wanna be with you [x6]

I don't wanna be with you  
I don't wanna be with you  
You know that I love you  
And I hate you  
And I hate you  
And I love you

At the same time

I don't wanna play your games  
Oh, why don't you understand?  
I hate you, but I love you  
I don't want you, I don't want you to pretend

I don't wanna play your games  
Oh, why don't you understand?  
I hate you, but I love you  
And I'm begging not become my worst regret

Hate love
