

## I'm Like A Bird

Jamala

When I was small, light-hearted girl  
My daddy said: be true and strong  
And I was trying all the time  
I knew all rules  
But failed an exam

I'm like a bird - black or white  
I live my life wrong or right

I met you then  
It was so cool  
But I forgot the world has a rules  
One life's too short to say it all  
I'm who I am, can't please them all

I'm like a bird - black or white  
I live my life wrong or right

I'm like a, I'm like a bird  
I'm like a, I'm like a bird

I'm like a bird - black or white  
I live my life wrong or right
