

# It's Me, Jamala

Jamala

It's seems that all they play the same game  
When people rate what makes you popular  
My killer heels are not my AIM!  
It's me Jamala...  
But you want scandals, you want "kiss and tell"  
Again, again you're staying deaf to me  
The only thing I want to say:  
It's me, Jamala!

I'm not Gaga, I'm not Gaga, I'm not Gaga, I'm not Amy  
I'm not, I'm not, I'm not  
It's me Jamala  
It's me, it's me Jamala  
Yeah, baby, yeah, baby  
It's me, it's me  
It's me, It's me Jamala

Can't see the forest for the trees  
All that tabloid beauty is so skin deep  
My music is my privilege  
So I'm singing... Oh, oh, oh, oh!  
Oh why it's your priority  
You write my dress and hair all right by now  
But that is not my cup of tea  
It's me Jamala!

I'm not Gaga, I'm not Gaga, I'm not Gaga, I'm not Amy  
I'm not, I'm not, I'm not  
It's me Jamala  
It's me, it's me Jamala, baby  
Yeah, baby, yeah, baby  
It's me, it's me  
It's me, It's me Jamala

Jamala, Jamala

I'm not Gaga, I'm not Gaga, I'm not Gaga, I'm not Amy  
I'm not, I'm not, I'm not  
It's me Jamala  
It's me, it's me Jamala, baby  
Yeah, baby, yeah, baby  
It's me, it's me  
It's me, It's me Jamala
