

# Nevermind

Jamala

Something incredible, something incredible  
Something incredible inside of you  
Something incredible, something incredible  
Something incredible inside of you  
Something incredible, something incredible  
Something incredible inside of you  
Something incredible, something incredible  
Something incredible inside

Nevermind  
Nevermind him  
Nevermind  
You see it, all the lie  
You feel it, why are you ready to be humiliated  
His friends sought that he was with them but it's a lie  
Yeah I know it's hard  
Hard hard hard hard hard  
But you can go through  
Nevermind  
Say it so a thousand times oh yeah  
Oh yeah

You have beauty in your soul he doesn't worth it  
You have beauty in your soul he doesn't worth it  
You have beauty in your soul he doesn't worth it  
Yeah yeah yeah yeah yeah yeah
