

Perfect Man

Jamala

I dreamt of a real man
I met him in a sweet July
Was happy when it began
I thought I was gonna fly
But love changed into routine
I cleaned, cooked and thereby
My love died at five fifteen
When I called to say goodbye

How to find a Perfect man?
Oh how to find a perfect man who'll love me?
Oh how to find a perfect man?

(Wisdom of life)
(I) become wise
Become wise
Become wise
I know it
I'll find you
In my eyes
We'll realize
I want it

But things went from bad to worse
I met a guy who played a flute
He was cute. Oh, what a curse
Inside he was a rotten fruit

How to find a perfect man?
(Perfect man, perfect man)
Oh how to find a perfect man who'll love me?
(Perfect man, perfect man)
Oh how to find a perfect man?
(Wisdom of life, wisdom of life)

Become wise
Become wise
Become wise
I know it
I'll find you
In my eyes
We'll realize
I want it

Become wise
Become wise
Become wise
I know it
I'll find you
In my eyes
We'll realize
I want it

Unfailing but boring, self-affected
Perfect man
Too crazy but clever, big-hearted
Perfect man

Ambitious but selfish and so greedy
Perfect man
Magnetic or repulsive o-oh
Perfect man

That's all
I'm done with it

Become wise
Become wise
Become wise
I know it
I'll find you
In my eyes
We'll realize
I want it

Become wise
Become wise
Become wise
I know it
I'll find you
In my eyes
We'll realize
I want it
