

Be The One

James Arthur

Oh my God, I never would've seen the light
Oh my God, I never would've settled down if there's no you
Just know that, I know that I never would've made it out alive
And you said, "Oh my God, I never wanna leave your side"

I'm afraid you'll love and leave me here tonight, I
You might be the paranoia in my mind
I wish you would

Hold me, help me, love me, save me
I just wanna be the one, I just wanna be the one
Fix me, break me, take me, change me
I just wanna be the one, I just wanna be the one

Kill me, kiss me, your lips could save me right now
I wanna be the one
Hold me, help me, love me, change me
I just wanna be the one, I just wanna be the one

Oh, I
Oh my darling, you look like Hollywood, mmmm
I think you'll hurt me even though you said you never would

I'm afraid you'll love and leave me here tonight, I
You might be the paranoia in my mind
I wish you would

Hold me, help me, love me, save me
I just wanna be the one, I just wanna be the one
Fix me, break me, take me, change me
I just wanna be the one, I just wanna be the one

Kill me, kiss me, your lips could save me right now
I wanna be the one
Hold me, help me, love me, change me
I just wanna be the one, I just wanna be the one
