

Heartbeat

James Arthur

When you take your first breath, I'll be the first witness
When you open your eyes, I'll thank God you're alive
You give me this feeling, that my love has no limits
When I look in your eyes and they look just like mine

And there's nothing I won't do for you

Darling you're my blood, you have my heartbeat
You have my heartbeat, beating loud
And I'm waiting for you love to feel your heartbeat
And I am aching to hold you now

When you take your first steps, I need to be there
Thought I belong to the roads but you made a house feel like home (Oo
h-ooh-ooh)
You are my lighthouse, a peak of light from the dark clouds
I've lived under my whole life, I thank God you're alive

There is nothing I won't do for you (Ooh-ooh)

Darling you're my blood, you have my heartbeat
You have my heartbeat, beating loud (Loud)
And I'm waiting for you love to feel your heartbeat
And I am aching to hold you now

I will be your shoulder (Be your shoulder), when you're feeling pain
(Ooh, feeling pain)
I will try to make it all better (Better, better, better)
I will be your father (Ooh, your father), I will be your friend (Ooh,
be your friend)
I will be here for you forever

Darling, you're my blood (You're my blood), you have my heartbeat
Darling, you have my heartbeat, beating loud (Loud)
And I'm waiting for you love (Said, I'm waiting for) to feel your heart-
beat (And I'm waiting for)
And I am aching to hold you now

Ah-ah-ah, ah-ah-ah
Ah, ah-ah-ah, woah, oh
There's something strange
Haha, ha
